This move-in ready, 3 bed ranch located in heart of Lenkerville boasts many newly installed upgrades in the last 6 months. Enjoy this fresh first floor living home with brand new laminate floors and trim throughout, new furnace, whole house paint, (2) new decks, chimney pointing, and some nicely installed new landscaping with large front yard to enjoy. All appliances included fridge, stove, washer, dryer, and dehumidifier. Basement is unfinished, recently dry locked, and ready for you to increase your living space. There's a small shed on site for lawn item storage, and a one-car parking space. This home is surprisingly quiet and private. Quaint and easy living with low maintenance for you. It is priced right, ready to sell. So don't wait! See it today!
